Black Tot Last Consignment

On 31 July 1970, a 239-year-old Royal Navy tradition ended at six bells in the forenoon watch, when the last rum ration was issued to crews aboard Her Majesty's ships - a day forever remembered as Black Tot Day. Seal away in antique stone flagons, this Royal Navy Rum has lain untouched for over four decades. In its rich, complex depths swirl tales of privateers and admirals, mutineers and parliamentarians. It is, quite simply, a rum that can never be recreated.

| 108.6 proof | 165*

Michter's 20 Year Kentucky Straight Bourbon

Michter's considers 17 to 20 years the "Fork In The Road Point" when certain barrels of whiskey can achieve an extraordinary level of quality. It is these particular barrels that Master Distiller Dan McKee personally selects for a very limited bottling of this deliciously rich overproof Kentucky Straight Bourbon.

| 114.2 proof | 380*

Michter's 25 Year Kentucky Straight Bourbon

This exceptionally flavorful bourbon was distilled from a select mashbill, then matured to perfection for over a quarter of a century in specially chosen, new charred American white oak barrels. A symphony of flavors plays at different points on the palate with molasses, holiday spice, chocolate, smoke roasted nuts, dried fruit, melted butter and vanilla providing the highlights.

| 116.2 proof | 425*

Glenfiddich Grand Cru Champagne Cask 23yr Single Malt

Matured for 23 years in American and European oak casks and elegantly finished in rare French casks. Notes of sweet brioche, sandalwood, and peach sorbet.

| 80 proof | 115*

WhistlePig Boss Hog X The Ten Commandments

A limited-edition, single-barrel straight rye whiskey that is known for its unique finishing process. It is aged in new American Oak before being finished in two unusual barrels: one seasoned with a special rye and whey spirit infused with frankincense and myrrh, and the other with craft mead barrels. This results in a complex and distinctive flavor profile. Thousands of years' worth of wonder condensed into a bottle of biblical proportions, righteously rendered at barrel proof.

| 106 proof | 150*

*Cost Per 1 Ounce
